

2024 National Capital Wing Summer Encampment CADET PACKING LIST

Students will arrive at encampment in ABUs.

All luggage should have a tag on it with the cadet's name. Do not carry uniforms on hangers; they need to be packed in a suitcase or garment bag so items cannot get lost if they fall off the hanger. Do not use garbage bags as luggage as your gear may be confused with actual garbage. Each cadet must have their own luggage; siblings cannot share a suitcase.

Please ensure your hair is compliant with regulations!

ALL clothing and equipment must be marked with your last name, first initial and/or your 6-digit CAPID number.

Upon arrival at the pick-up point at Camp Upshur the cadet's luggage will be inspected for contraband.
